

Hello Everyone,

It's seems that 2013, our 50th anniversary, is a long way off, but it will be here before we know it. Several of us met to get a feel for what needs to be done and now we are asking you what you would like to do to celebrate.

First, we need some information from you.

Name _____

Address _____

Phone _____

Cell _____

e-mail _____

Would you be interested in helping organize the 50th reunion? _____

Some of the ideas that were tossed out at the meeting are listed below and we would like to know which option you would prefer.

It was suggested that we have our reunion the same time as Norwayne's 2013 graduation. That date will be either Sunday, May 26, 2013 or June 2, 2013. We will find out the exact date as it becomes available. One reason for the spring date is that Norwayne honors the 50 year class members who attend the graduation ceremony. If this is NOT a good time for you, let us know. Later in the summer is also an option.

The general consensus was that we would tour the new schools on Saturday and then have a banquet afterward. That banquet could be at: (please indicate your choice or add another option).

Norwayne School _____

Hartland (where we were last time) _____

Genesis (party center in Creston) _____

Another Option _____

Would you like to meet on Friday night (yes or no)? _____
(Rupp's have offered their place for this get together)

Would you like to meet as a group for a brunch on Sunday before graduation? _____
